

## New England Biolabs Certificate of Analysis

Product Name: *Bst DNA Polymerase, Large Fragment*  
 Catalog Number: *M0275S*  
 Concentration: *8,000 U/ml*  
 Packaging Lot Number: *10222570*  
 Expiration Date: *12/2025*  
 Storage Temperature: *-20°C*

Bst DNA Polymerase, Large Fragment Component List			
NEB Part Number	Component Description	Lot Number	Individual QC Result
M0275SVIAL	Bst DNA Polymerase, Large Fragment	10222568	Pass
B9004SVIAL	ThermoPol® Reaction Buffer Pack	10215580	Pass
B1003SVIAL	Magnesium Sulfate (MgSO <sub>4</sub> ) Solution	10210679	Pass

This product has been tested and shown to be in compliance with all specifications.
